Hi Mike et al,

Hope all is well. Mike, just to expand upon my v/m late yesterday. In recognizing we have not been strictly adhering to the timeline that was part of the original documents provided (attached), I wanted to get your thoughts/reaction to the following adjusted game-plan. By day's end Monday April 23rd, I'll send for your review some draft narratives that typically accompany the proposed findings in a Summary Disposition Report. By day's end April 30th, you send for my review your suggestions, your own draft narratives, etc. Does that sound like a workable plan? Please advise accordingly.

Much appreciated.
Sincerely,
Steve
